

**REMARKS/ARGUMENTS**

Applicants submit herewith a duly executed *Power of Attorney and Correspondence Address Indication Form*, which we ask be made of record.

The Applicants' representative has carefully reviewed the Examiner's Office Action of April 22, 2005, in which the Examiner rejected claims 1-26. In response to the Examiner's rejection, the Applicants hereby cancel claims 1-26 and submit new claims 27-32. For reasons that are apparent, the new claims clearly differentiate from the prior art and focus on different aspects, some of which have been previously examined in copending Application No. 09/927,897, which issued as U.S. Patent No. 6,739,558. Therefore, the Applicants believe that the claims are sufficiently distinguished from the prior art and are in condition for allowance.

**Applicant believes that fees are due in connection with the number of claims now on file. Applicant originally paid for four independent claims; and there are now six. Thus, an additional \$400.00 is believed due. You are hereby authorized to deduct the required amount from our Deposit Account No. 02-0400 (Baker & McKenzie). When identifying such a withdrawal, please use the Attorney Docket Number WEB-927-CIP.**
